

ERMIDRA'® shampoo

PROPERTIES:

ERMIDRA'® Shampoo deep cleanses the skin and hair. Zinc gluconate, betaine, and epilobium contained in its formulation are able to soothe, refresh and rehydrate the skin while maintaining the physiological integrity.

INDICATIONS:

ERMIDRA'® Shampoo is indicated:

- For reddened skin (rubbing, hyperreactivity);
- Sensitive skin.

HOW TO USE:

Completely wet the coat of the animal with lukewarm water. Apply the product and massage for 5-6 minutes. Rinse and dry. Repeat 2-3 times a week initially. ERMIDRA'® Shampoo can also be used on puppies. Shake before use.

APPEARANCE:

White - slightly yellow, viscous liquid

pH (20°C):

6,5 - 7,0

DENSITY:

950-1050 g/L

COMPOSITION:

Anionic surfactant, amphoteric surfactant, zinc gluconate, milk serum, preservative, glycolic extract of sage, epilobium, perfume, coformulant, deionized water.
